PUNISHMENT.

Social progress has done away with a great many forms of punishment once administered under the laws of enlightened people. But nature never changes or modifies her penalties. She still has the same punishment for the man who neglects or abuses his stomach as she had in the far off days "when Adam sinned and Eve spun."

The physical discomfort, dullness, sluggishness, irritability, nervousness and sleeplessness which result from indigestion are cured also.

Dr. Pierce's Golden Medical Discovery cures the diseased stomach and enables the perfect digestion and assimilation of food, so that the sluggishness, irritability, nervousness and sleeplessness which result from indigestion are cured also.

"I was taken sick nine years ago with fever," writes Mr. M. Wardwell, of Lincoln, La., "and the doctor said I had the fever all right, but I took diarrhea right away; he couldn't cure it. I got so weak with it and had piles so badly I couldn't sit down, nor hardly sit up. I was never well again, but picked up one of Dr. Pierce's Golden Medical Discovery books one day and saw your description of catarrh of the stomach. I thought it hit my case. We had a bottle of Dr. Pierce's Golden Medical Discovery at the house that was got for mother. You recommended it for catarrh of the stomach, so I went to taking it. The one bottle nearly cured me. I got two bottles more and took one and one-half and was well. I haven't been bothered with diarrhea since."

Dr. Pierce's Pellets cure biliousness.

FOR OVER SIXTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

WILL NOT BE A CANDIDATE

Norman E. Mack, of Buffalo, democratic national committeeman for New York State, has been at the Hoffman House, New York, for the last few days, discussing with Tammany men the democratic situation before the Bronx. Neither Mr. Mack nor the other democrats who are in New York care to say anything for publication about the Tammany fraud and its probable effect upon the democratic outlook in the State this fall.

There has been a great deal of talk, though, as to the position of William J. Bryan in the future councils of the democratic national party. Mr. Bryan, in a recent interview at St. Louis, said that he was not a candidate for renomination in 1904. One important democrat, who had a heart-to-heart talk with Mr. Bryan, said yesterday: "Mr. Bryan is not a candidate for renomination, and we all know that Mr. Bryan believes that he is absolutely right on the money question, and he says that he will go to his grave believing that the free coinage of silver at 16 to 1 is the only righteous solution to the money question. St. H. Mr. Bryan says he will not force his personal views on the democratic national convention in 1904."

He does insist, however, that the national convention shall not nominate any man who did not avowedly support the democratic national platform of 1896 and 1900. This, of course, would eliminate Mr. Hill, of New York, and Mr. Gorman. Mr. Bryan is a great factor in the democratic national party, and while he holds these views, the democrat could not hope to win in the national struggle with Mr. Hill or Mr. Gorman, or any democrat who did not support the platform I speak of.

A short time ago an announcement from eminent democrats was printed to the effect that in view of the defeat of Senator Jones of Arkansas for re-election to the United States Senate the democratic national committee of 1904 would undoubtedly elect as its candidate Chairman James M. Guffey, the democratic national committeeman for Pennsylvania.

It was made known yesterday that there have been recent conferences in Washington among national democrats, and that this programme to elect Mr. Guffey will be carried out. It has been said by some national democrats that Vice Chairman William J. Stone, of Missouri, might be promoted to be chairman of the committee, in view of the fact that Mr. Stone served with Mr. Jones as his chief lieutenant in the campaigns of 1896 and 1900. Mr. Stone, however, it was learned, will doubtless succeed Senator George Graham Vest in the United States Senate on March 4, 1903.

A dispatch from Chicago says it is probable that W. J. Bryan's opponent will mention Mayor Tom L. Johnson, of Cleveland, as an available and choice presidential candidate for the democracy in 1904. That is the inference politicians drew of the conference which was held between the two yesterday morning at a breakfast in the grillroom of the Auditorium Hotel.

The breakfast was early; it lasted from 7 o'clock until 9, when Mr. Johnson, accompanied Mr. Bryan to the railway station to catch the 9:15 Burlington train for New York. Mr. Johnson remained until night, departing for Cleveland by the Lake Shore 9:20 train.

Mr. Johnson conceded he came by appointment to meet Mr. Bryan. He looked smiling and well satisfied, though he refused to be interviewed upon the subject or result of the conference, and could not be induced to say a word upon national politics. Louis F. Post, who was present as a "friend of Mr. Johnson," may have been the necessary witness to the supposed compact.

Several political observers think that Mr. Johnson chose the psychological moment to urge his candidacy upon the Nebraska's attention. They argue the twice defeated candidate may dread the increasing influence of the eastern old-line democrats, and felt that to combat them needs the naming of an attractive candidate and strong personality. Mr. Bryan, in his commoner, has mentioned Senator Carmack and Mayor Head, of Nashville, as available timber, but has neglected to hint of Mr. Johnson. Hence the conference, it is asserted, may have resulted in a definite understanding, even an offensive and defensive alliance. While Mr. Johnson is a radical, like Mr. Bryan, his momentary success commands the respect of the business world as Mr. Bryan's rhetorical powers never did, the politicians further argue.

Mr. Bryan came directly from Cuba, where he witnessed the burning down of the American flag and the inauguration of the new republic. He expressed himself as impressed with the success of the American policy in the island. Mr. Johnson was his hobby of municipal ownership. "The greater the responsibility, the greater the vigilance of the citizen. The chances of a corrupt machine capturing municipally owned roads are less than the certainty of the corruption that flows from those corporately owned," he said.

COST OF WAR.—The cost of the war in South Africa to Great Britain has been estimated to be, in round numbers, \$1,200,000,000. If this is correct it has cost nearly one-third as much as the American Civil War.

Hostilities were begun in October, 1899.

Over 22,000 British soldiers have been killed.

The Boers are estimated by the British to have lost nearly 19,000 men.

The number of British soldiers in South Africa is nearly a quarter of a million.

Present size of Boer army, as estimated by the British, 10,000.

The war has recently been costing Great Britain \$800,000 per day—a rate of \$800,000,000 a year.

DAUGHTER AND LOVER DEAD.—Jno. W. Churry, aged thirty-one, a carpenter, shot and killed his sweetheart, Susanne Kerkemelt, aged sixteen, early Friday morning at South Bend, Ind., and then killed himself with the same revolver. Churry and the girl, with her parents, all apparently in good spirits, sat on the porch until midnight, when the parents retired. At 2 o'clock the mother awoke, and looking out, saw the bodies of her daughter and Churry lying on the ground. The couple had evidently planned to die together. Two bullets, not an inch apart, passed through the girl's body. Churry then shot himself in the mouth.

When you wake up with a bad taste in your mouth, use Chamberlain's Stomach and Liver Tablets. One or two doses will make you well. They also cure biliousness, sick headache and constipation.

Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Cures for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. W. Brown, of Greenvale, N. H. "I never found anything else that acted so safely and quickly. For sale by E. S. Leadbeater & Sons."

One Person Tells Another ABOUT KODOL DYSPEPSIA CURE.

That's Why the Sale is Increasing so Rapidly—So there must be something to Merit After All.

Fair minded people always admit it when they find an article of merit. If it has done them good they want it to help others. Thousands bear witness to the wonderful curative qualities of Kodol Dyspepsia Cure. It is the only preparation which positively and completely digests any good food you may eat. No one disputes the fact that some other digests partially, but this result, for instance, is found in the healthy stomach. When it is lacking, the patient takes pepsin and it helps him. But pepsin digests only albuminous foods, like meat and eggs. May be there's plenty of pepsin and a lack of the other digestants. Then it does no good. That's the trouble with the other preparations. They don't contain all the digestants. Kodol Dyspepsia Cure contains them all. It digests any good food you want. You don't have to diet. The feeling of fullness after eating is immediately relieved by Kodol Dyspepsia Cure.

I used Kodol Dyspepsia Cure for dyspepsia, and it gave me relief at once. I can highly recommend it." E. D. Williamson, Currysburg, N. C.

I had dyspepsia in its worst form and felt miserable most of the time until I used Kodol Dyspepsia Cure, which has completely cured me. Mrs. W. W. Bayler, Hilliard, Va.
